Board Update

A Vision of Pride and Excellence

June 2022

Arbor Day at the Intermediate School

The students in Mrs. Melichar's class got to plant four new trees at the Intermediate School for Arbor Day. The trees are Jefferson Elms and will grow to 50-60 feet tall. We are so thankful to the City of De Pere for donating and helping us plant the trees!

School Lunch Hero Day

We celebrated School Lunch Hero Day. We recognize the significant contributions of school nutrition staff and their dedication to the health, well-being, and education of our students.

Middle School Marching Band

Middle School marching band practices to march in De Pere's Memorial Day Parade.

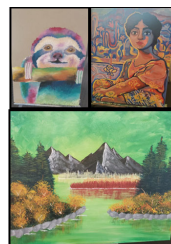

Westwood Butterfly/Hummingbird Garden

High School FFA students assisted in the planting of the butterfly/hummingbird garden for Westwood Elementary Students and Staff.

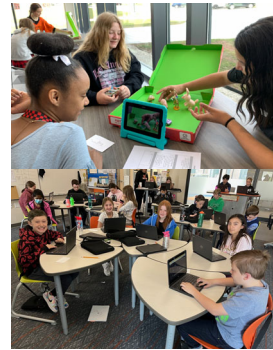

High School Art Show

The High School held an art show that showcased our student artists. The talent was outstanding!

Intermediate School KidCamp

Students took part in the first ever KidCamp. Presenters from the community and within the district shared their STEM-related careers and tools. Students took part in sessions which included topics such as interior design, video DIY projects, green screen, WeVideo, photography, virtual reality, claymation, improv, writing a book, and engineering design.

Upcoming 7th Graders Orientation

On May 26th & 27th the current 6th graders were invited to tour the Middle School. They experienced the components of a school day.

Middle School Hope Squad

WDPMS Hope Squad planned a week full of activities to promote self care and wellness. Students

received a visit from Fenton and Juliet, our K9 friends from the high school.

Westwood Students receive books

Westwood Elementary received a grant from the Peterson Family Foundation, and along with the money raised from the book fairs they purchased a book for every child to help support their summer reading.

Middle School Jazz and Choral Event

The Middle School Jazz and Choir performed at the Narrow Bridge Restaurant. It was a great event for the students and the community.

High School Archery National Competition

Numerous archers shot their career high scores. Including Braden Tennant and Jake Koch, both 9th graders, scored a 281! The maximum score is 300.
