

School District of West De Pere

A Vision of Pride and Excellence

Board Update

September 2021

Grant Awarded

The Department of Public (DPI) Instruction recently awarded West De Pere with a grant in the amount of \$75,000 for school-based mental health services.

Senior Mentors

A few of our amazing senior mentors on freshmen orientation day. The mentors led ice breaker activities, school tours, and breakout sessions answering questions and troubleshooting concerns with their freshmen mentee groups.

Dedication/Open Houses

We sent invitations to all our staff, committee members, posted on facebook and sent a press release to the community.

Inservice 2021

This year our inservice for all staff took place in the High School Field House. Our guest speaker, Greg Wolcott, reminded us of the importance of relationships and being vulnerable with each other and students. Thank you to our High School Band for opening with the school song and to Amelia Gibbons for singing the National Anthem.

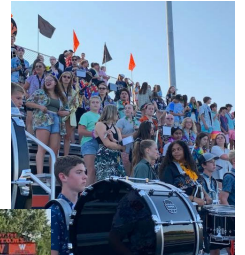

Staff Meetings

Buildings conducted beginning of the year staff meetings. Pictured is the Intermediate School Staff meeting on the Learning Stairs.

Extra-curricular activities

Activities are in full swing and going well to date. Individuals are pleased to be able to return to such activities.

Upcoming Events

Homecoming Football Game vs. Pulaski
Oct. 1st @ 7 p.m.
