A Vision of Pride and Excellence

September 2022

Lemonade Stand with a Cause

6th grader Hailey and 4th grader Abby had a lemonade stand that raised \$125 and then used that money to buy school supplies to help students at the Intermediate School.

Team Building at the Middle School

Students in Ms. Wroblewski's class worked on their team building and communication skills.

Groups had to help their blindfolded teammate put together a 24 piece puzzle. Table members could not touch any of the puzzle pieces themselves and had to use their communication skills to direct their teammate to accomplish the task.

FFA at Brown County Fair

West De Pere FFA members took part in several activities at the Brown County Fair; project judging, showing animals, working the Ag-venture tent, parking cars, barn duty, and a costume contest. So proud of all their hard work.
