February, 2024

Dear Families,

Parent/Teacher conferences are scheduled for **Thursday, February 22, 2024 from 4:00-8:00 p.m.** Conferences are an opportunity to give you a progress update of your child's learning and to share information about areas of strength and areas that may need additional attention. All conferences will be held in person at Hemlock Creek.

Since February conferences are only from 4-8 p.m., we will not be able to accommodate meeting with every parent of every child in class. Therefore, we ask that you consider a conference on this date only if you are concerned about your child's progress at this point in the school year or were unable to attend the October conference date.

Scheduling for Parent-Teacher conferences is done online. When you follow the directions below, you will be able to select a conference time for your child or children. Additionally, we are excited to let you know that our specialists (music, art, physical education, interventionists, and special education teachers) will also be available to have scheduled conferences. To schedule a conference time, please follow the steps listed below. **If you do not have access to a computer or the Internet, we will have computers available for you to use in the office from 7:30-3:30 each school day. If you need additional help, please contact us at 425-1900.**
