

The Holidays are Around the Corner!

Dear Hemlock Creek Families,

The holiday season is fast approaching. The PTO knows many families provide individual gifts to the staff but are often unsure what to give. We would like to help by providing families the opportunity to contribute towards gift cards for the staff. Here is how it will work:

1. Fill out the form below with your family information and the staff list (on the back) indicating the staff member(s) you would like to contribute to and the dollar amount for each person.
2. Return the form along with payment, either check (preferred) or cash to the Hemlock Creek Elementary School office by Wednesday, November 22.
3. After Thanksgiving, the staff will be presented with a holiday letter indicating that families have contributed money that can be used to select gift card(s).
4. During the week of December 18 each staff member will receive the gift card(s) they chose in a holiday card signed with each family's name who contributed.

This year we have an option to give to a general fund. This anonymous donation will be spread out among any Hemlock Creek staff that receive little or no gift card money. Keep in mind that participation is completely optional and would like to keep this a surprise for the staff.

If you would like to participate, please return this form to the Hemlock Creek Elementary School office with your payment (payable to Hemlock Creek PTO or cash) in a sealed envelope labeled **PTO Holiday Fund** by **Wednesday, November 22**.

If you have any questions please reach out to Kelly Sturgill at HC.PTO.Scrip@gmail.com.

Please ensure that this information is printed neatly. The information that is provided here will be used to place the names on the holiday cards that are distributed to the staff.
