## Message from the 4K Director

### Act 20 Screener

Depending on the class, your 4K student will be participating in the ACT 20 Screener on either April 1st or April 2nd. Wisconsin's new Act 20, requires schools to test students in 4K this Spring for literacy skills. The screener will consist of two parts. The first is *Initial Sounds*. The second portion of the screener will focus on *Letter Word Sound Fluency*. The total time of the screener will be about five minutes. The results of this screener is for informational purposes only. It will be used to help guide our 4K students when they start kindergarten next year.

## Reminders

- Please make sure to read with your student over Spring Break!
