Executive Summary
School District of West De Pere
Annual Meeting
October 16, 2024

Executive Summary

The School District of West De Pere is a premiere district that is recognized as a leader in Northeast Wisconsin. With a history of excellence academically and co-curricularly, the School District of West De Pere remains a school district of choice. Serving 3639 students from 4K to 12th grade, the district offers a comprehensive range of educational programs and individualized learning approaches to support the diverse needs of our students. The School District of West De Pere encompasses 47 square miles west of the Fox River and south of Green Bay. The School District is a member of both the Fox River Classic Conference and the Bay Conference.

Over the past year, the School District has experienced many successes. Boasting six Herb Kohl Teacher Fellowship Award winners and a Herb Kohl Principal Fellowship Award winner, West De Pere had the most of any district within the Northeast Wisconsin region. In addition, a teacher from West De Pere Middle School was honored as one of five Wisconsin Teachers of the Year, marking the first time West De Pere has earned this distinction. West De Pere High School continues to be recognized as the best High School in northeast Wisconsin and is ranked as the 22nd best public high school in Wisconsin.

Our students continue to be the most important evidence of our success as a school district. Again, this year one of our high school students achieved a perfect ACT score. Student growth at the Middle and High Schools outpaces the state average. Additionally, our K-6 students continue to make strong academic gains by meeting and exceeding expectations on the State of Wisconsin School Report Card. Our students are not only exceeding in the classroom, but outside of the classroom as well. Our athletic teams won multiple conference championships and made appearances at state level tournaments. The music, choir, and fine arts departments continue to excel in providing exceptional student performances. Our students have exceptional character as well. Many of our students volunteer their time within the community and sponsor philanthropic events to help those in need. As a District, our students are learning and demonstrating what it means to be quality citizens who have care and concern for others.

While there may be fiscal challenges that are in front of the District, I am convinced that we have the talent to tackle these challenges. As we leverage the talent in our District as well as the principles outlined in the strategic plan, we are poised to move the needle and improve student performance while maintaining fiscal responsibility. The future of the School District of West De Pere is without limits.
