ABOUT US

ALICIA BIRDER, Executive/Artistic Director

Alicia is Executive & Artistic Director of Birder Studio of Performing Arts, a 501©3 non-profit studio of performing arts. Alicia launched Birder Studio in 2010 to continue to develop arts education and entertainment for our community in hopes of nurturing creative, collaborative and well-rounded performers. Birder Studio programming is based on Alicia's belief that all children should have the opportunity to experience the joy and thrill of the theatre and live performing. From this experience, they will gain artistic and social maturity.

OUR MISSION: TO EDUCATE, INSPIRE, CREATE, ACHIEVE!

Our artistic educational program is for students of all ages and levels in the performing arts. It instills confidence, creativity and discipline. The training program includes musical theatre, acting, voice, jazz, ballet, tap, music theory, stage management, technical theatre, yoga and barre. Our professional staff welcomes you to visit!

OUR CAUSE: ARTS EDUCATION FOR ALL

We are committed to providing a secure foundation in the arts for both children and adults. As a 501©3 non-profit organization, we seek to make arts education accessible and affordable to all youth in the Greater Green Bay Area. Through our scholarships and community outreach efforts, donations help us provide live entertainment and arts education to those who would not otherwise experience it.

OUR VISION: AN ARTS INSPIRED COMMUNITY

We hope that our programming not only instills a love and appreciation for the performing arts in our community, but also an adept understanding of artistic influence. We envision live entertainment and arts education accessibility for adults and children alike. In this digital era, we hope to inspire our community's professional & personal lives by fostering a community-centered artistic culture.

Rehearsals will be held over two separate summer weeks and Fridays & Saturdays in fall. The production will be performed in the first weeks of January 2026. *Dare to Dream, JR.*, is a musical that follows an eager group of trainees on their first day at a fictional Walt Disney Imagineering Studio. As the group sets out to help each other discover their dreams, they work together to explore the power of dreams to unite, inspire, and make anything possible. Drawing from a century of beloved Disney films, *Dare to Dream JR.* features songs appearing for the first time ever in a Disney stage musical, fan-favorites. This turns a century of Disney magic into a theatrical celebration of music, creativity, and the dreams that live inside us all!
