<u>Choir</u> Mrs. Lisowe	<p>Spring Concert - Tuesday, May 20th Fifth Grade: 6:00 pm Sixth Grade: 7:00 pm</p> <p>All choir concerts will be held at the West De Pere High School Auditorium.</p>
<u>Band</u> Ms. Czachor	<p>Please mark concert dates on your family calendars:</p> <p>May 15th 5th grade at 6:00 PM 6th grade at 7:30 PM</p> <p>Both concerts will take place at West De Pere Intermediate School in the Gym.</p> <p>Please encourage your student to practice their instrument at home. Our class time is so limited. Whatever we learn in class needs to be practiced at home so the students remember the skills.</p> <p>BASH (Band At School Help) is held during 6th grade first recess (lunch). All 6th grade band students are welcome to come to the band room during that time to practice and I can assist them as requested. Even if a student normally eats first and then has recess, they can come to BASH first recess and join the second lunch group. Encourage your students to take advantage of this opportunity!</p>

<p><u>Physical Education</u></p> <p>Mrs. Lozar</p> <p>Mr. Zornow</p>	<p>We are working on strategies of net wall games by covering an area of the court, hitting to open spaces, and varying force on the ball to hit to where the opponent least expects it. We use these strategies in both volleyball and eclipse ball (volleyball with a tennis racquet) and again in April with pickleball.</p> <p><u>March 5th</u> starts rollerblading. Students can bring their own rollerblades as long as they have a working brake. Please bring helmets from home as well. All gear can be stored at school as long as it is labeled with the student’s name.</p>
<p><u>STEM</u></p> <p>Mrs. Kohl</p>	<p>General STEM:</p> <p>-We are still collecting <i>cereal boxes, paper towel cardboard inserts</i> and <i>caps to detergent bottles</i>. We have enough bottle caps- so thank you! Feel free to send them with your child to STEM or drop them off in the office labeled “STEM.”</p> <p>5th Grade STEM: Students are working through a coding unit utilizing mostly JavaScript block coding. Each student progresses at their own pace. Next up is the Robotics Unit.</p> <p>6th Grade STEM: 6th grade STEM students completed a coding unit where they worked to finish 25 challenges. Next they enter the tabletop Game Unit where they make their own games with a random bag of materials. Progress reports are sent home after each unit so you can see your student’s progress.</p>
