

Treasurer's Report – Review of expected expenses for the 2024 – 2025 school year - Evelyn Ceesay

Committee Updates

Current

Apparel Sale - Customers are really happy. We'd be open to using them again next year.

Window Clings - We'd like to sell these again next year.

Scholarship Match - The applications are coming in; there will be a review board to select the winners. Certificates will need to be printed and checks printed as well.

8th Grade Promotion and Dance – June 4th \$800 budget – Kristen Thompson - This takes place at the high school; there is a 7:00 ceremony followed by a dance.

Teacher Appreciation activities May 4th – May 10th - (May 6th is the actual day) - PTO can financially help or purchase some individual things too (lottery tickets, etc.)

Other student appreciation activities - \$650 (i.e. ice cream social, popsicles for end of year party, etc.) - The IS would like popsicles for field day; the MS is looking at individual snacks for the kids to take on their field trips.

5th, 6th, 7th & 8th grade end of year field trips - May 2025 - \$4,000

Future

Incoming 5th Grade Swimming Party - Jackie will be taking this over. We are going to use different colored wristbands this year to represent the different houses. This will be a great way for the students to see who else is in their house; the wristbands can then continue to be worn during the school year for house representation and spirit days.

Fundraising ideas

- Penny War – Only at Intermediate School (Spring cleaning theme) - We are going to do this next year in correlation with the Middle School for the Green Bay contribution event
- Fall Cash Drive Fundraiser dates - October 4-15th

May Pep assembly (at the MS) - We are looking at doing student choice awards again. Student voting would need to take place (maybe a google form this year?) and then certificates would need to be printed out.

Principal Messages - Flexington games are coming to the IS! This is a fun way to celebrate the kids' great job with spring testing.

Open floor

Adjourn

2025-2026 Chaired events:

Incoming 5th grade swimming party – Aug 2025 – \$520 + color-coded wristbands

Cross Country meet at Southwest Park – Small money maker (approximately \$400)

Food for Teachers during Fall / Winter Conferences – Budget of \$600 for each
