- All seats are reserved and must be purchased ahead of time. You will need to **print your tickets or save them to your phone** after purchase and bring them with you the night of the show. Online ticket sales will end one hour prior to the start of the show.
- Tickets are \$3 and you will need a credit card to complete the online purchase. The ticket price helps defray the cost of purchasing the show. There are small processing fees added by Ticketleap.
- Every person regardless of age will need to have their own ticket for this performance. Children of any age will need a ticket if they are going to be in their own seat.
- If purchasing tickets with a credit card is a concern, you can also purchase a code using cash/check from the West De Pere Middle School office. The code will allow you to choose your seats utilizing the website and access your tickets. **This must be requested a day in advance and paid for in person.**
- *If the show does not sell out online*, tickets will be available at the door the night of the show.
