

Dear WDP Intermediate School Families,

The holiday season is fast approaching! The PTO knows many families would like to give gifts to the staff but are often unsure what to give. We would like to help by providing families the opportunity to contribute towards gift cards for the staff.

Here is how it will work:

1. Please fill out the form below with your family information and the staff list (on the second page) indicating the staff member(s) you would like to contribute to and the dollar amount for each person.
2. Return the form along with payment, either cash or check payable to **WDP 5-8 PTO** to the WDP Intermediate School office by Tuesday, November 26.
3. On Monday, December 2 the staff will be presented with a holiday letter indicating that families have contributed money that can be used to select gift card(s).
4. During the week of December 16 each staff member will receive the gift card(s) they chose in a holiday card signed with each family's name who contributed.

Keep in mind that participation is completely optional.

If you would like to contribute toward a general fund that is distributed among the staff, you will find that option in the 3rd column of the staff list.

If you would like to participate, please return this form and payment (cash or check payable to **WDP 5-8 PTO**) to the WDP Intermediate School office in a sealed envelope labeled **PTO Holiday Fund** by **Tuesday, November 26**.

If you have any questions, please reach out to Kristen Thompson at kristenethompson1@gmail.com.

Please ensure that this information is printed neatly. The information that is provided here will be used to place the names on the holiday cards that are distributed to the staff.
