OUR READING MONTH  
CELEBRATIONS!

Parents/Guardians,  
Throughout March, our school will be celebrating Reading Month with a variety of fun activities to promote a love of reading! Students can look forward to dress-up days, trivia challenges, a March Madness-style book tournament, and more. All activities will take place during the school day, and details can be found on the calendar. We encourage families to ask their students about the exciting events happening each week.
