

Intermediate School
Rube Goldberg Competition
Group B
[Feeding a Pet](#)

What: Virtual Rube Goldberg Competition, 2025

Who: Any 5th or 6th grade student at the Intermediate School

When: Thursdays, 3:00-3:45, STEM Room, February until May

How: Depending upon the number of students interested we may have one team or multiple teams who will create a RG machine, record it, and submit for the competition in May.

Requirements:

- Be able to attend most Thursday worktimes
- Can stick with a project for a long time
- Willing to work with other people
- Not afraid to problem solve

Interested participants should complete this [Google Form](#)
