

## Grief and Education Center

Dear Parents and Guardians,

To better meet the needs of our students, through collaboration with Unity Grief and Education Center, Hemlock Creek Elementary School is pleased to offer our students the opportunity to participate in a School Grief Group.

Hemlock Creek School Counselor, Cheryl Crozier and a Unity Grief Counselor will be leading a six-week grief support group designed to provide students the opportunity to explore their grief through activities and conversation, while learning about grief and developing coping skills. Through participating in this group, we hope students gain insights into their own grief experience and make connections with peers who have also experienced a loss while in a safe, supportive environment.

This group is open to any student who has experienced a death regardless of when the death occurred. The experience of grief is unique, and a grief support group may not be suited for everyone. Please know that Unity Grief and Education Center is a resource should you wish to learn more about their services.

The group will be held on the dates below from 12:00 PM – 1:00 PM.

- Thursday, January 16, 2025

- Thursday, January 30, 2025
- Thursday, February 6, 2025
