Hello Intermediate School families,

In past years, parent requests for class placement have been allowed at the elementary, intermediate, and middle school levels. This practice will continue for the 2024-2025 school year at the Intermediate School. Parent requests regarding class placement will be given full consideration if all of the following conditions have been met:

1. Requests must be communicated in writing (an email is sufficient) to the principal no later than Friday, May 3, 2024. (smarsden@wdpsd.com)
2. Requests must be based on a specific educational need.
3. Requests should not reference an individual teacher by name. Rather, the request could reference a teaching style, a classroom environment, or some other special need.

Every class placement request that satisfies the above conditions will be given full consideration. However, the always-present potential for a high number of parent requests prevents us from guaranteeing any request.

The Intermediate School runs a house concept. This means that 5th-grade students will be grouped with two teachers (one for English/Language Arts and one for Math/Science/Social Studies) and 6th-grade students will be grouped with three teachers (one for ELA, one for Math, and one for Science/Social Studies). They will stay together as a house and will not mix together with students from other houses for these subjects.

Scott Marsden

West De Pere Intermediate School Principal
